

Japan Association of International Relations
Guidelines for Filling Out the Membership Application Form

If you wish to become a member of the Association, read these guidelines before you fill out the membership application form. Keep this brochure in a safe place as you may need it after you have become a member.

A. Written Application

1. Applicants are required to fill out all the provided spaces without omission, and to submit the form after signing and sealing it. If you are an overseas applicant and do not have a seal, affix your signature.

2. Each application requires the signatures and seals of two members of the Association. If you are a graduate student, you will need a recommendation (with signature and seal) from your academic advisor. If your advisor is a member of the Association, you will need only one further recommendation by a member of the Association to fulfill the requirements for membership. On the other hand, if your advisor is not a member, you will need recommendations from two members in addition to that of your advisor.

3. In the "Home Address" space, fill in your residential address or the most convenient address for postal delivery and telephone communication. The address included here will appear on the Membership List of the Association.

4. When filling in the "Affiliation" space, make sure to include your "Affiliation" and "Job Title." If you are a graduate student, write the name of your course of study in the "Job Title" space. 5. Include as much detail as possible in the "Field of Study/Research Theme" space. Also, in the "F/S Code" space, refer to the Table of Field of Study Codes below and enter the codes (three at most) that best describe your specialization.

6. Make sure to fill in the "Entry Year" space. Note that the Association's fiscal year begins on April 1 and ends on March 31.

7. Before submitting your membership application, check to make sure that you have filled out all the items without omission. If any of the requisite information such as "Name," "Date of Birth," "Home

Address," "Affiliation/Job Title," "Final Degree," "Field of Study/Research Theme," "Recent Publications," "Desired Fiscal Year of Entry," "Reference," or Recommendation of Academic "Advisor" is left blank, your application may be rejected or delayed.

B. Submission of Membership Application and Procedures for Admission

1. Submit your membership application to the Association's secretariat, at the address below, by post. You can also submit it directly to the reception booth set up at each annual meeting of the Association.

2. Applicants will be notified of acceptance after the application is examined and approved at the Board of Directors meeting (held in March, June, September and December of each year). If you submit your application during an annual meeting, it will be examined at the meeting of the Board of Directors after the annual meeting. (These procedures are stipulated in the Act of Endowment and Membership Rules of the Japan Association of International Relations.)

3. Make an inquiry with the Association's secretariat, at the address below, if the notice of approval of your application does not arrive. Please feel free to inquire with the Association's secretariat if you have any questions regarding your admission.

C. After Approval of Your Application

1. Once your application is approved, you are requested to pay the prescribed annual membership fee immediately. In principle, the membership fee should be paid individually and not as a collective payment by a group or institution. Copies of the Association's journals, *Kokusaiseiji* (quarterly, in Japanese) and *International Relations of Asia-Pacific* (three times a year, in English, online journal), are sent free of charge only to those members who have paid their membership fees for the year of the publication.

2. Notify the Association's secretariat of the following as soon as possible.

(1) Change in your name, address or affiliation, or transfer lasting more than a year;

(2) Change in your membership status from graduate student to regular

membership;

(3) Notice of withdrawal (nonpayment of membership fee for 3 consecutive years will be regarded as a withdrawal).

3. Graduate students should send a copy of proof of graduate student status (student ID card, student registration certificate, etc.) to nacos★jair.com (please replace "★" with "@"), at the time of the payment of the membership fee. Setting a password for the copy is recommended.

D. Type of Membership

Type of overseas membership is as follows.

Type of Membership (Overseas)	Membership Fee
General	JPY 15,000
Graduate Student (Proof of graduate status is required)	JPY 11,000
